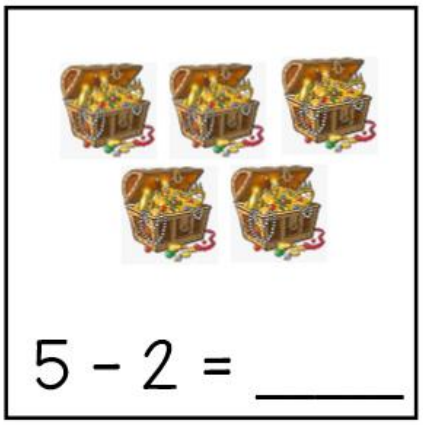
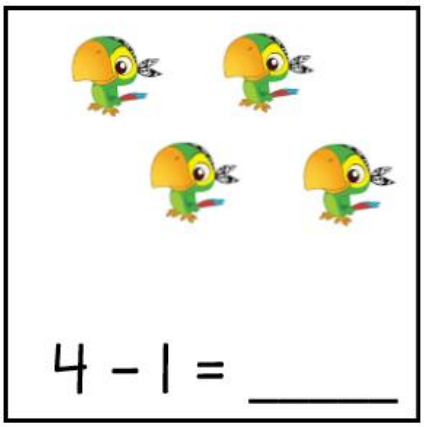
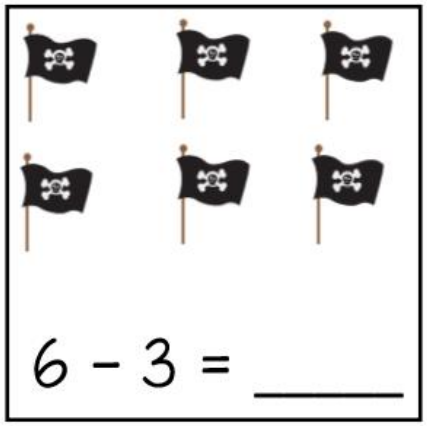
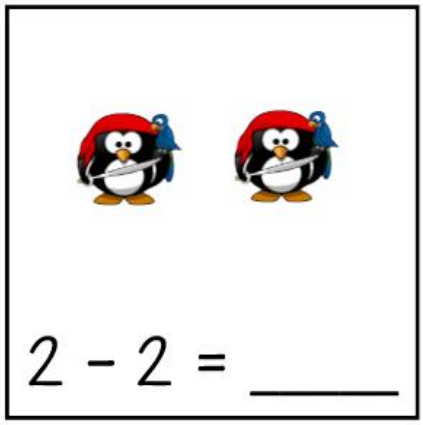
Subtraction

Step 1: Watch, "When you subtract like a pirate" on YouTube to learn about addition: https://safeYouTube.net/w/UfBJ

Step 2: Use Froot Loops, fish crackers or any other small snack or items you have. Use two colors to make subtraction sentences Ex: 5 (yellow) - 2 (green) = 3








Step 3: Write down the subtraction sentences you create on a piece of paper. Can you create at least 5 different number sentences?
